Uplift™ Seaweed Liquid Concentrate

Encourages strong root development during plant establishment and promotes flowering and fruiting. Improves plant stress resistance to drought, heat, frost, pests and diseases.

- Contains natural plant growth stimulants such as auxins, cytokinins and gibberellins
- Gentle, cold-composting process for maximum extraction
- Sustainably-harvested Australian seaweed

Cert. No. 5324M

INSTRUCTIONS FOR USE

- Always dilute with water before applying.
- Agitate well before decanting or mixing into spray tank.
- Check physical compatibility (jar test) and also whether spray tank mixes are allowed, before making a spray tank mix with other agrochemicals.
- Add Yates Uplift Seaweed last if making a spray tank blend.
- Do not store diluted product, use within 24 hours.
- Do not apply to foliage in the heat of day or if shade temperatures exceed 30°C.

For application rates and timing for Specific Crops, please refer to the Commercial Crop Application Table available on Yates Technical Data Sheet.
www.yatescommercial.com.au

Maximum dilution 1:300. Minimum dilution 1:50.

Foliar application (General recommendation: Apply every 2-4 weeks in the growing season)

Vegetables & turf	2-5 L/ha
Orchards	3-6 L/ha
Grapes	3-5 L/ha
Cereal & broadacre	2-5 L/ha
Pasture	3-5 L/ha

Apply at higher rate just after fruit set or grazing/cutting.

Soil drench application

10-20 L/ha.

Fertigation application

Apply soil drench rate prior to final flush of lines at 1:100 dilution.

Transplant application

Dip seedlings/roots in 1:100 solution before plant-out OR
Drench soil around new transplants with 1:100 - 1:200 solution.

SAFETY DIRECTIONS

Avoid inhalation and contact with eyes and skin. Wash hands immediately after use.

STORAGE

Store in a cool dry place away from direct sunlight. Avoid exposure to excessive temperatures.

Important Product Disclaimer Yates makes no representations or warranties that this product will be suitable for use. Subject to any applicable legislation which cannot be excluded (such as the Australian Consumer Law), Yates takes no responsibility and will not be liable for any failure in performance of this product or any losses, damages, or injuries (consequential or otherwise) arising from the storage, mixing, application or other use of this product or for any representations made by you about the product which have not been approved in writing by Yates. Yates recommends that you contact an agronomist or suitably qualified person prior to the application of this product and/or conduct trials of this product prior to full commercial application.
