

TRANSPORT: No restrictions.

STORAGE: Keep out of reach of children. Keep container sealed, cool and protected from sunlight.

FIRST AID: If poisoning occurs, contact a Doctor or Poisons Information Centre (Phone Australia 131 126; New Zealand 0800 764 766). If medical advice is needed, have product container or label at hand.

FOR EMERGENCIES ONLY, CALL AUSTRALIA 1800 220 770 (ALL HOURS)

SDS: Additional information is listed in the Safety Data Sheet available from the supplier and ocp.com.au.

COMPATABILITY: RhizoVital FZB42 can be mixed with common plant protection products or fertilisers, except for products containing copper or bactericide properties like chlorine. Always add RhizoVital FZB42 at the end into the already prepared plant protection or fertilizer tank mix.

INSTRUCTIONS FOR USE: General Drenching: 0.4 mL/L water. Shake before use. Mixable with fungicides and fertilisers.
